

NT SPACE SCHOOL INCORPORATED (NTSS)

“SPACE - THE FINAL FRONTIER”

5th – 7th April 2013

Charles Darwin University Casuarina campus, Darwin, NT

Mission Statement

To provide young people with an opportunity, through a residential school, to pursue their interest in Space Science, Technology and Engineering.

NTSS 2013

Sixteen Year 10/11 students will be selected to attend the NTSS residential school in Darwin from the 5th – 7th of April 2013. Male and female students from across the Northern Territory are invited to apply to attend the 2013 NTSS. For students based in the Darwin, Palmerston and Litchfield shire regions, the program will end on Sunday 7th of April 2013. For all other students the program will end on Monday the 8th of April allowing for Monday to be a travel day.

NTSS 2013 graduates will be given the opportunity to win one \$500.00 scholarship to attend the Australian International Space School which will then allow access to the Johnson Space Centre (Houston USA) Engineering Challenge in 2014.

Students at the 2013 NTSS will be accommodated at the Kormilda College Boarding Houses. The program will be supervised by NT Science Teachers and other accredited supervisors. Students will:

- take part in activities, demonstrations and lectures to help them learn more about the importance of a space science-technology industry in the Northern Territory
- build and fly model rockets, participate in star gazing activities and undertake hands on experiments that will incorporate computer technologies to analyse data and enhance their learning
- visit scientific and technological facilities
- mix with teachers, scientists, engineers and lecturers to investigate possible career paths in science and technology
- **have a great time and of course make many new friends!**

A \$100.00 registration fee will include all meals, program and course material, NTSS shirt, souvenir group photo CD and 2 nights' accommodation (Fri/Sat), Plus an additional nights accommodation (Sun) for students who reside outside of the Darwin, Palmerston and Litchfield region.

Please Note: The registration fee does not cover the cost of travel to and from Darwin. Only successful applicants are required to pay the registration fee.
